SUPPORT PRODUCTS

Always protected.

Painters FastWrap®

Waterproof, pre-taped plastic paint masking system features treated, lint-free masking film with 1.25-in. automotive-grade pre-taped edge. Treated film clings to surface so it stays where you place it, making masking vehicles fast and easy. Film is solvent and paint-stripper resistant, safe to leave in place during bake cycles up to 230°F (110°C), and can be left in place for wet sanding.

72" x 100' pre-folded roll (72" drop)	#PFW-172	\$26.20
---------------------------------------	----------	---------

Residue Remover

Easily removes stubborn residue from paint booth walls in less than one minute. Conveniently cleans up with water.

24 oz. bottle w/sprayer	#RR24S	\$17.82
-------------------------	--------	---------

Super Strength Automotive Odor Eliminator

Destroy car odors quickly and permanently using the power of Chlorine Dioxide. Single application eliminates all odors at the source by oxidizing the odor molecules. Made in the USA.

Kit contains activator/pouch	#OECL02	\$17.33
